Ellis, Contests To Highlight Class Day

Student Awards, Prizes To Be Given; Faculty Challenges Seniors In Softball

By Bob Conner

The annual Class and Charter Day activities will be held next Wednesday. Interclass athletic and singing competitions and moving-up ceremonies will highlight the day's events. Pentagon will also tap its fiftieth undergraduate class.

Dr. David M. Ellis, associate professor of history, will deliver the annual Class and Charter Day address in the Chapel. He will describe Hamilton Colluege in its pre-Civil War days. Ellis received a Ford Foundation to write a one-volume history of New York state last year. He has written numerous articles on the history of the the United States. He was graduated from Hamilton in 1938 and received a Ph. D. from Cornell University. Ellis is now on a one year leave of absence.

Award Prizes

Before the address by Ellis, President Robert W. McEwen and Dean Winton Tolles will award fellowships, scholarships and prizes on behalf of the College to students who have distinguished themselves in various subjects. The presentations will be made in the Chapel after the first two periods.

Immediately after the Chapel ceremonies the faculty-senior softball game will be played on Steuben Field. At the same time the freshmen will play the seniors, and the sophomores will play the juniors to determine the winners of the preliminary golf and tennis matches. Tuesday afternoon the preliminary softball competitions will be held.

Softball Finals

The finals of the softball, tennis and golf competitions will begin at 3:30 Wednesday afternoon. Points for first, second and third place will be awarded and will count toward the Class Day totals. The juniors and seniors are currently tied for first place with eight points, followed by the sophomores with two and the freshmen who are pointless.

Harlan Calkins, '54, in charge of Class and Charter Day activities, announced that Phil Hills will coordinate the tennis competitions; Joe Bugliari, the golf tournament; and Ken Higgins, the softball games.

Council Proposal Wins Acceptance In Student Vote

The Student Body passed an amendment to the Student Council Constitution at yesterday's Chapel setting up a Council Calendar Committee to schedule College activities.

The Calendar Committee has been appointed by Albert Saunders, chairman of the Council. Members are Allen Stripp and Stan Schade. The Committee will provide "orderly' intelligent and effective scheduling of such events as lectures, concerts, student organization meetings, and social events, including those sponsored by fraternities as all-College events."

The Calendar Committee will work with the Secretary of the College in scheduling all non-curricular College activities except inter-collegiate athletic events. Only activities approved by this Committee will be officially recognized and entitled to listing in the College Calendar and to the use of College facilities.

The amendment provides that "requests for student-sponsored events shall be made directly to the Committee by a responsible representative of the activitty concerned."

The amendment will become Article Seven of the Constitution. The present Article Seven will be renumbered Article Eight.

Memorial Established In Honor Of Davis

A Memorial Fund has been established in memory of William E. Davis, '40. Davis' parents asked that a fund be established in his memory in place of the presentation of flowers at his funeral. Forty-three of his friends have contributed more than $600 to the fund since his death in April.

Davis was a member of Sigma Phi in College and was active in alumni affairs.

Mural In P. X. Attracts Much Attention Skillfully Depicts Hamilton Life

The greater portion of the College Community has by this time become familiar with the recently completed mural in the back room P.X. of the Commons building. The total effect is a pleasing one, certainly, and also intriguing in many respects.

Why, for instance, are a number of campus buildings pictured in locations entirely at variance with their actual settings?

According to the artist, John Semple, '53, the key to an understanding of the mural lies not in any logical order or consistency, but in a "whimsical" representation of the college. Thus, Alexander Hamilton's statue, pictured before the Kirkland home, violates no rule of order, nor does the placing of the library in the vicinity of the soccer field.

President McEwen a Celebrity

It is worth noting that President McEwen "made" the mural and is shown shaking hands with Melancthon Stryker. Of further interest is the portrayal of Elihu Root, especially as regards his controversial shadow. Many viewers of the mural are of the opinion that the relatively great shadow cast by the former Senator is a satirical note. When questioned, Artist Semple replied that his intention had been primarily a tribute to Elihu Root, with no particular reflection as to the quality of other graduates.

An estimation of the total effort spent on the mural would be a difficult job; judging from the excellence of the workmanship, it has been considerable. John admits frankly that much of the success of his mural is due directly to the collaboration and guidance of the well-known artist and Fellow in Art here at Hamilton, James Penny.

Elect Squires Head

At Squires elections last week Rocco Solimando, '54, was elected president, and Hugh Henry, '54, was elected vice-president. Sam Rosen, '55, is the new treasurer. Other officers elected were Al Rothenberg, '56, recording secretary, and Lewis D'Azzara, '56, corresponding secretary.

The Chapel speaker Sunday will be the Reverend Ralph W. Sockman. Reverend Sockman is pastor of Christ Church, New York City.

Ithaca Conference Aid Is Available For Two Students

Two Hamilton students have have been given the opportunity of winning scholarships to the Institute of International Relations conference at Ithaca this June.

Channing B. Richardson, professor of political science, announced this week that the American Friends Service Committee has offered Hamilton two $25 grants. The money will go to two Hill students interested in attending the conference, which is to be held at the Ithaca College Camp June 11-20.

The theme of the Institute is "Toward World Peace: Guns? Aid? Trade?" The institute's faculty will include teachers from throughout the world. To date 36 students, representing 22 colleges and 13 countries, have enrolled.

Interested students should apply to Professor Richardson for further information. Since the total cost for each student will be $35, the two chosen will have to pay the extra $10.

Movie Tonight

The S.C.A. movie, "Drums Along the Mohawk," will be shown Friday and Saturday nights in the Chemistry Auditorium at 8 p.m. Price of Admission is $.40.

Outing Club Elects

The Outing Club elected its officers for next year at a meeting last Monday night. The Club elected Wendell Patton, '54, president; Gerald Resner, '55, vice-president; and Michael Demet, '56, secretary-treasurer.

IRC Gives Account Of Work; Active In Past College Year

By David Nelson
President of the International Relations Club

The activities of the International Relations Club are intended to promote an interest on the Hill in foreign affairs and to further the understanding of the problems faced in world politics.

Model Federal Convention

Last November a four man delegation attended a Model Federal Convention at Buffalo, held in conjunction with the annual Congress of the Atlantic Union Committee. The delegates helped draw up articles for a mock constitution embracing countries signatory to the Atlantic Pact, and heard speeches by Justice Owen Roberts, Elmo Roper, and the foreign minister of Norway. The following month a second group was sent to the Model U.N. Security Council at Syracuse. Reports on these trips were made to the club as a whole.

A delegation which included two foreign exchange students went to Keuka College in March for a conference on the Far East. Perhaps the most successful trip of all took place in April, when Hamilton represented Greece at Cornell's Model General Assembly in which some 60 schools participated.

Lecture on Middle East

I.R.C. lectures during the year included one on the Middle East by Professor Richardson, the faculty advisor, several student led discussions, and a meeting with Robert Aura Smith of the *New York Times*. The Club also sponsored two foreign movies. Mr. Archibald Campbell, the British colonial attaché spoke last month on colonial problems in Africa and conducted a brisk question period after his talk.

Cline Breaks Track Record Hagerty Elected '54 Captain

Yearling Earl Cline finally broke the three-year old broad jump record, set by John Babcock in 1950, in the track meet with Ithaca College last Saturday afternoon. Cline leaped 22' to eclipse the old record of 21' 10". Cline and Rog Hagerty, captain-elect for next year, contributed greatly to the Hamilton 86-44 over Ithaca.

Hagerty won the mile and two mile distances while Cline placed first in the broad jump and tied for first in the 220-yard low hurdles. Clean sweeps were scored by the cindermen in the javelin and shotput. Tony Romano, Ted Collins and Rog Cunnane placed one, two, three respectively in the shotput with Romano heaving the weight 39' 10". Bob Olwine, Bob Schumacher and Bob Braunlich dominated the scoring in the javelin, with Olwine winning the event with a toss of 154'.

Winning this meet, the last of the season, gives the team a .500 average. Coach Joe Smith, who is leaving for military service this summer, announced the high scoreers for the year today. Earl Cline is high man with 48 points. John Ibach is second with 26½, Irving Reid third with 24, and Bob Olwine fourth with 23.

Blue Tennis Team Rolls On; Cortland Bows; Union Next

The Hill tennis team scored their second victory of the week yesterday as they edged Cortland 5-4.

Only a battle with Union stands in the way now of an undefeated Blue nets season and the team's 32nd victory out of 34 matches. The squad soundly defeated Hartwick Tuesday, 9-0.

The final match with Union will be played on the Blue courts Monday afternoon as Hamilton seeks its ninth victory of the present year.

The Cortland match had its tight moments. John Watts lost the opening match, and co-captain Phil Hills was also defeated. However, Jim Farmer, also co-captain, won his eighth victory of the season in his match, Dan Goodstein, Max Gray and freshman Harry Pressburgh also scored wins.

In the doubles game the netmen suffered two more defeats when Hills and Pressburgh and the team of Watts and Miller lost their matches. On the last match, Gray and Goodstein teamed together for a win over the Dragons,

Hamilton Basemen Tumble To Ithaca

Hurt by five careless errors in the second inning the Hamilton baseball team dropped its second game in a row last Wednesday afternoon to Union on the home diamond. The Dutchmen scored six runs in the second inning, virtually clinching the contest. Sophomore Jim Carrigg went the route for the visitors giving up six hits.

Don Grant put the Continentals in front in the opening inning when he singled home Dinny Calkins who had forced Joe-Giglio and stolen second. But in the second Union went ahead to stay. Capitalizing on six errors and two timely hits the Dutchmen crossed the plate six times. They scored once more in the third and again in the ninth to score an easy 8-3 victory.

Ron Hovey, who relieved Hamilton starter Bill May in the second, pitched excellent ball for the Blue the remainder of the way.

The Continentals are idle this weekend, but travel to Schenectady Monday to meet the Dutchmen in a return contest.

Continentals Bow To Cortland Men In Lacrosse Test

Although showing great improvement over their previous week's performance, the Hamilton College lacrosse team was downed last Saturday morning by Cortland State 10-7. The Blue stickmen played Cortland evenly through the first three periods but fell before a four goal Dragon outburst in the last quarter.

Cortland outshot the Continentals 56-38, and the defensive unit should be given credit for holding the score as low as it did. Blue hopes were bolstered by the return of Les Sirkin to the nets. Sirkin, who is recovering from a shoulder operation, was a member of last year's squad. Coach Bill Tomik is planning to alternate him with Bill Herbster for the remaining games.
